**RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
PURSUANT TO 37 C.F.R. §1.181(A) AND IN THE FIRST ALTERNATIVE  
WITHDRAW HOLDING OF ABANDONMENT PURSUANT TO 37 C.F.R. § 1.137(a)  
AND IN THE SECOND ALTERNATIVE PURSUANT TO 37 C.F.R. § 1.137(b)**

Sir:

Applicant hereby renews the original petitions for withdrawal of the Notice of Abandonment dated July 9, 2008.

The above-identified Notice of Abandonment indicates that the present application has been abandoned "in view of Applicant's failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85)."

In response the above-identified Notice of Abandonment, Applicant asserts that the Notice of Allowance dated March 14, 2008 was never received. Accordingly, Applicant was unaware that a three month statutory period for payment of the issue and publication fees had started and did not have an opportunity to reply to the Notice of Allowance.

In support this assertion, Applicant provides:

- (1) Exhibit A – A declaration by the undersigned that states:

- a. Applicant, Attorney for Applicant and the firm of the Attorney for Applicant failed to receive the Notice of Allowance dated March 14, 2008; and
  - b. A review of docketing system and records routinely kept for the firm of the Attorney for Applicant including both manual and computerized docketing logs and the file jacket, confirms that the Notice of Allowance dated March 14, 2008 was not received.
  - c. The docketing system and records are routinely maintained in a reliable manner according to an algorithm and/or procedure designed to prevent failures.
- (2) Exhibit B – A copy of the master incoming United States Patent & Trademark Office communication log which maintained in the usual course of business, and as a standard practice, by the docketing department of the firm of the Attorney for Applicant.
- a. The incoming master communication log is maintained as a function of the due date. Thus, if the Notice of Allowance dated March 14, 2008 had been received, the incoming communication log would include a notation three (3) months from the mailing date or on June 14, 2008.
- (3) Exhibit C – A copy of the action log for the above-identified application which is maintained in the usual course of business, and as a standard practice, by the docketing department of the firm of the Attorney for Applicant.
- (4) Exhibit D – A copy of the file jacket indicating that the Notice of Allowance dated March 14, 2008 was not received.

Applicant further submits a copy of the previously provided Issue Fee Transmittal prepared in connection with the above-identified matter.

I. PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO NOTICE OF ALLOWANCE

In light of the assertions and submissions discussed above, Applicant hereby petitions the Office pursuant to 37 C.F.R. §1.181(a) to revive the above-identified abandoned application and accept the attached completed Issue Fee Transmittal.

Applicant directs the Office to charge **Deposit Account 23-1925 (08285-00646)** for any fees deemed owed in connection with reviving this application.

II. PETITION TO REVIVE UNAVOIDABLY ABANDONED APPLICATION

In light of the assertions and submissions discussed above, Applicant hereby petitions the Office pursuant to 37 C.F.R. §1.137(a) to revive the above-identified unavoidably abandoned application and accept the attached completed Issue Fee Transmittal.

Applicant directs the Office to charge **Deposit Account 23-1925 (08285-00646)** in the amount of **\$510.00** for the petition fee set forth under 37 C.F.R. §1.17(l) to revive an unavoidably abandoned application.

III. PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

In the alternative, should the Office conclude that the above-identified was not unavoidably abandoned, Applicant hereby petitions the Office pursuant to 37 C.F.R. §1.137(b) to revive the above-identified unintentionally abandoned application and accept the attached completed Issue Fee Transmittal. Applicant hereby affirms that the entire delay in filing a reply to the Notice of Allowance from the original due date until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional.

Applicant indicates and notes that the Office has charged **Deposit Account 23-1925 (08285-00646)** in the amount of **\$1540.00** for the petition fee set forth under 37 C.F.R. §1.17(l) to revive an unintentionally abandoned application.

Respectfully submitted,  
BRINKS HOFER GILSON & LIONE

**DECLARATION OF MATTHEW T. RIDSDALE**

Sir:

The undersigned hereby states as follows:

- (1) The above-identified application was filed in the United States Patent and Trademark Office by the law firm of Brinks Hofer Gilson & Lione on October 14, 2003.
- (2) A search of the docket logs and file history indicates that no record in possession of the undersigned attorney indicates that a Notice of Allowance dated March 14, 2008 was received by the law firm of Brinks Hofer Gilson & Lione.
- (3) Attached hereto in support of this declaration are:
  - a. Exhibit B – A copy of the master incoming United States Patent & Trademark Office communication log maintained by the docketing department of the firm of the Attorney for Applicant.
  - b. Exhibit C – A copy of the computerized matter log generated in IP Manager, an intellectual property management software packaged developed by Thomson Scientific™, based on the master incoming communication log shown in Exhibit B. The

computerized log, including all of the individual computerized matter logs, is further periodically compared with a batch download of the PAIR site for each customer number associated with the law firm of Brinks Hofer Gilson & Lione. Any discrepancies identified between the two computerized logs are addressed and the master incoming communication log shown in Exhibit B is updated accordingly.

- c. Exhibit D – A copy of the file jacket indicating that Notice of Allowance dated March 14, 2008 was not received. The file jacket is updated to reflect the computerized matter log shown in Exhibit C and, in turn, the master incoming communication log shown in Exhibit B.
- (4) As illustrated by the Exhibits B to D and the process described in sections 3(a) to 3(c), the docketing system and process utilized by the law firm of Brinks Hofer Gilson & Lione includes multiple redundancies and checks (both human and electronic) in an attempt to reduce and prevent docketing and other procedural errors. As a result of these redundancies and checks, the docketing system and process utilized by the law firm of Brinks Hofer Gilson & Lione is considered as affirmed to be comprehensive and reliable.
- (5) Subsequent to receipt of the Notice of Abandonment dated July 9, 2008, a full audit of all Brinks Hofer Gilson and Lione pending U.S. files was conducted which established that the Notice of Allowance dated March 14, 2008 was not received by the law firm of Brinks Hofer Gilson & Lione.
- (6) This declaration, and accompanying renewed Petition with supporting materials, is being timely filed in response to the Notice of Abandonment dated July 9, 2008.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Respectfully submitted,  
BRINKS HOFER GILSON & LIONE
